THE BUNGALOW CLUB

where your new favorite people come to gather

A close-up photograph of a hand holding a lit sparkler. The sparkler is vertical, with bright sparks flying off its top. The background is dark and out of focus, suggesting a night-time outdoor setting.

“There are no strangers here;
only friends you haven’t yet met.”

—William Butler Yeats

Hello!

At the Bungalow Club we believe that corners are for turning. That doors are for opening. And that getting lost in conversation (on a regular basis!) is the surest path to a joyful life.

Welcome to a brand-new space for the adventurers and optimists, for the deeply cultivated and the embracers of possibility, for those who come from all walks of life, but agree on one thing: Laughter takes a good ten years off your mortal age!

We can't wait to meet you.

Conviviality, Community ... and Cocktails at Five

The Bungalow Club is a private social club that features a full-service bistro-style restaurant and bar, with inviting, thoughtfully designed spaces both indoors and out. Enjoy twice-monthly house concerts in the listening lounge. Catch up over billiards in the game room—complete with welcoming buffalo-check plaid chairs and traditional wood paneling, of course. Or book a private event room for your next celebration or event. Members may also take advantage of our WeWork-style collaborative workspace.

PLUS ... each month brings an inspired lineup of members-only events: live music and performances, TED-style talks, cooking classes, bocce tournaments, and even a bourbon-tasting club. Because why not?

THE BUNGALOW CLUB

The Bungalow Club is designed with the unshakable belief that there is power and magic when we come together. That's why at every turn you'll find happy spaces made for relaxing with friends, for connecting with big ideas, for finding inspiration, or for just finding a running partner for your first 10K.

Supper Club + Bar

Chef Joshua Sartor reinvents comfort-food classics, mostly healthy, always delicious! Open for dinner five nights a week.

The Living Room

A favorite gathering spot complete with cushy sofas, a baby grand, and a roaring fire (weather appropriate, of course!).

Listening Lounge

Always enjoy a front-row seat at this concert house! The best of bluegrass, jazz, singer-songwriters, and more, served twice monthly for your listening pleasure.

The Game Room

Darts, pool, shuffleboard ... the answer to the question "What do I do with my 20-year-old son who is home from college?"

The Cigar Porch

Because really—how can you have a bourbon-tasting club without cigars?

The Loggia + Fire Pit

A classic garden-side veranda.

(BYOM: Bring Your Own Marshmallows!)

Gin & Tonic Patio

Enjoy craft and traditional cocktails out-of-doors.

“I am happy. I am very happy. This morning when I woke up
I felt good because the sun was shining. I felt good because I was a frog.
And I felt good because I have you as a friend.”
